

## **Form for correction of erroneous email address records in whois data.**

I hereby request the update of the email address for the following contact handle or domain:

\_\_\_\_\_

Erroneous email address on record:

\_\_\_\_\_

Corrected email address for that record:

\_\_\_\_\_

Please check:

- Contact is a legal entity
- Contact is a natural person

Location, Date: \_\_\_\_\_

Signature: \_\_\_\_\_

Please provide documentary evidence that the person requesting this change can act on behalf of the registered owner. Such documents may be company record stating the requestor has the right to act on the companies behalf or a copy of the ID card of the person requesting changes to his personal record.

Please note that registrar may request additional information or evidence as well as contact the owner if deemed necessary to verify the request.

Registrar may refuse or undo any change to the email address for any reason.

Updating a handle using this method will lock your domain name(s) against transfers for 60 days.

This document must be supplied to your sponsoring registrar for review.
